17<sup>th</sup> March 2014

Dear Parents/Carers,

## BIKEABILITY TRAINING

All Year 4, 5 and 6 children have the opportunity to take part in cycle training on Monday 24<sup>th</sup> March. The training will take place during the school day on the playground, but will include advice about riding on the road.

Children need to bring in a bicycle that is appropriate to their height and is in good working order. They will also need a cycle helmet, and clothes suited to the weather – it could be very cold and/or wet, so a waterproof coat, hat and gloves may be needed!

The training will take place in two groups. If your child does not have their own bicycle, it may be possible for them to borrow another child's bicycle, subject to their parents' permission and the Bikeability trainers confirming that it is a suitable size.

Please complete and return the consent form below by Friday 21<sup>st</sup> March.
