10<sup>th</sup> June 2015

Dear Parents/Carer

Scooter Smart Day for year 1 – 6.

On Friday 19<sup>th</sup> June 2015 we are having a Scooter Smart day.

The session will be delivered by trainers from Derbyshire's Travel Smart team and the aim of the day is to improve children's confidence and stability when riding their scooter.

We would like every child to bring their scooter to school that day if they have one. The children will be learning how to use their scooter safely and take part riding around the skills course that will be set up. Each class will have a scooter parking zone.

If your child would like to bring their scooter to school on this day please write your child's name on a label and tie it to their scooter before coming to school. On the day take the scooter to the parking zone in the playground and leave it there until it is needed. Some spare scooters will be provided if your child does not have one, however numbers are limited.

If your child normally wears a helmet and/or elbow/knee pads while scooting and you would like them to wear this on the day you can send this safety wear with your child. However this isn't considered necessary equipment for the activities that will be undertaken. Please note if your child is going to wear any safety clothing they must be able to put it on by themselves.

The Scooter Smart sessions last around 30-40 minutes - please ensure your child dresses appropriately – i.e. waterproof if raining, hat & sun cream if warm.

Shoes may get scuffed so pupils could wear trainers if they wish.

We would also like to invite you to the assembly at 2:55 pm where the Travel Smart team will be able to tell you more about the Scooter Smart project.

Yours Sincerely

Paula Fox
