Handwriting	Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Write recognisable letters, most of which are correctly formed.	Year 1 • sit correctly at a table, holding a pencil comfortably and correctly • begin to form lower-case letters in the correct direction, starting and finishing in the right place • form capital letters • form digits 0-9 • understand which letters belong to which handwriting 'families' (i.e. letters that are formed in similar ways) and to practise these	<ul> <li>use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined</li> <li>increase the legibility, consistency and quality of their handwriting, e.g. by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch</li> </ul>	<ul> <li>write legibly, fluently and with increasing speed by:</li> <li>choosing which shape of a letter to use when given choices and deciding, as part of their personal style, whether or not to join specific letters</li> <li>choosing the writing implement that is best suited for a task</li> </ul>
		Year 2 • form lower-case letters of the correct size relative to one another • start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined
