Dear Parents and Carers

I am delighted to share with you the positive outcome of our recent ungraded Ofsted inspection, which took place at the end of last term. We are extremely proud of the feedback we received, and I'm pleased to say the inspectors found our school to be in a strong and positive position. The full report has been attached to this message and is also available on our website for you to view.

We were pleased to welcome Anne Maingay and Alison Adair into our school, and we are thrilled to report that they found we have taken effective action to maintain our high standards. They confirmed that our school continues to be a good school. The inspectors were particularly impressed by the children - who showed their best qualities throughout the visit. They highlighted our children's positive attitudes to learning, excellent behaviour, and the respect they show for one another. We are especially pleased that the inspectors described our school as kind and caring, with a calm environment and purposeful classrooms. The strong culture of learning and our ambitious curriculum were also praised as key features of our school.

The positive feedback reinforces the hard work and dedication that our staff put into creating the best possible learning experience for all the children. It also reflects the enthusiasm of the children and the ongoing support we receive from you, our parents and carers.

The report makes some suggestions to improve our school; we are excited to build on this feedback and continue striving to make our school even better.

Thank you for your continued support. Should you have any questions or wish to discuss the report in more detail, please don't hesitate to contact us.

Kind regards

Ms Emma Roberts – Headteacher
